\$45,000-\$55,000

depending on experience and education

SKILLS

- Passionate about Jesus and Discipleship
- Creates and Develops Programs
- Casts Vision
- Effectively Communicates
- Recruits and Motivates

RESPONSIBILITIES

▶ LEAD

Lead the technical volunteer teams at Waterstone Community Church—which includes all processes pertaining to volunteer onboarding, training, scheduling, and communication—while creating systems that best suit the emotional well-being and time-commitment of the volunteers.

▶ DIRECT

Direct the Production Volunteer Team on the setup, execution, and breakdown of all things related to A/V production for services and events.

▶ MAINTAIN

Help maintain current standards of operation, improve systems and execution of production, and pioneer new ideas for the production team to create meaningful ways for the congregation to experience Jesus through production.

▶ STEWARD

Steward resources and equipment including the maintenance, inventory, upkeep of existing equipment, and upgrading and purchasing new equipment under the direction of the Worship Creative Arts Pastor and Executive Pastor.
